

St. Louis River Summit Poster Presentation Workshop

Thursday, February 19, 2026

5:00 pm to 6:30 pm via Zoom

There will be a free poster presentation workshop hosted by representatives of the Lake Superior Reserve and Lake Superior Research Institute on February 19 via Zoom from 5:00-6:30 pm. This event is held in conjunction with the St. Louis River Summit, but any interested individual is welcome to attend.

Description:

This interactive workshop is designed for students, professionals, and community members who want to strengthen their skills in poster design and presentation. Whether you are creating your first poster for the Summit or refining your approach for future conferences, you'll gain practical strategies and have hands-on opportunities to build your poster presentation skills in a supportive environment. .

Some of the topics covered include:

- Be able to identify the elements of an effective poster.
- Apply design principles and work with templates.
- View and analyze real-world poster examples.
- Receive tips for presenting with confidence
- Exchange constructive poster feedback in a positive environment

The workshop will conclude with peer-to-peer open sharing time, where participants are welcome to give or receive feedback while sharing posters. There will also be ample time to ask questions and receive feedback on your poster if you wish.

To register for this workshop, please visit
